

Quality Improvement Plan Summary

Hallett Cove South Preschool

Goals	Challenge of Practice	Success Criteria
<p>To improve children’s ability to recognise, collect, sort and represent data in their world.</p>	<p>If we intentionally plan for and provide opportunities for children to recognise, collect, sort and represent data in their daily world, then children’s use of data to make decisions will improve.</p>	<p>Through analysis of formative assessment children will:</p> <ul style="list-style-type: none"> increasingly be able to collect, sort and classify information, objects and events contribute to jointly constructed data displays to support answering questions or problem solving
<p>To improve children’s dispositions to be curious and the capacity to express their ideas and thinking.</p>	<p>If we extend our understanding of and ability to implement an inquiry approach to teaching and learning, then children will become increasingly curious and able to express their ideas and thinking.</p>	<p>Through analysis of formative assessment children will:</p> <ul style="list-style-type: none"> actively participate in inquiry-based learning experiences build their learning dispositions. e.g., being curious, taking an interest, investigating, exploring, asking questions express their ideas and thinking in various ways (e.g., verbally, drawing, writing)
