# Quality Improvement Plan Summary

## Hallett Cove South

Service approval number:  
SE00010458

Goal	Challenge of Practice	Success Criteria
To build children's identity as active learners through cognitive engagement.	If we plan and assess using learning trajectories then children's abilities to use number will be extended.	Children will: <ul style="list-style-type: none"><li>• Increase level of involvement in learning opportunities.</li><li>• Enhance their dispositions (individually based)</li><li>• Talk positively about themselves and celebrate their successes.</li><li>• Ask questions and make connections.</li><li>• Use number when problem solving.</li></ul>

National Quality Framework Priorities	Key steps
QA7 Review NQS policy and compliance requirements and update/implement as needed to ensure that the preschool demonstrates HQ practice in the best interests of children.	Use Preschool compliance – self assessment resource Review policies and philosophy with staff Present to Governing Council
QA2 Ensure reasonable precautions and adequate supervision for children when one educator is present.	Review working alone and in isolation policy Staff to follow working alone and in isolation flow chart
QA3 Ensure outdoor and indoor spaces are suitable for children.	Ensure spaces are clean and maintained. Ensure outdoor space is safe.
