<b>Student Free Days</b>	<b>3/7</b> Staff Training (Makers Empire: 3D printing)
	<b>23/7</b> Staff Training (Partnership Day)
Last Day of Term:	6/7 2:15 dismissal

## Principal's Report

Today I am writing in support of our canteen. We are fortunate to be able to offer a school canteen service on Thursdays and Fridays. Students are able to order lunches, and make over the counter purchases at recess and lunch times.

Having a canteen gives parents a break from making lunches and gives students the chance to have something a bit special for lunch.

Over the counter sales help to teach students about the value of money, and also gives them the opportunity to have a special treat.

Unfortunately, school canteens are not permitted to run at a loss. Our canteen has an amazing manager in Carolyn Hellyer. Carolyn puts in extra, unpaid hours in an effort to provide delicious and tempting meals and snacks for our students. The one thing over which Carolyn has no control is the number of purchases that are made through the canteen.

Despite Carolyn's best efforts, we are currently running at a loss.

Please consider using the canteen a little more than you currently do. We need to increase sales in order to remain in business. We don't want to make a profit – we just need to break even!

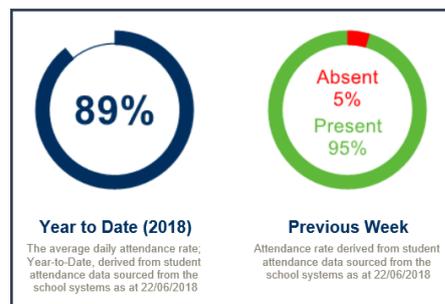

Remember: If we don't use it, we'll lose it!

Please also consider supporting our **Winter Warmer Raffle**. The proceeds will support the canteen, and so it's a great cause!

All you need to do is donate an item (nonperishable baking ingredients or small utensils are perfect) and receive a free ticket in the raffle. The box for donations is in the foyer, as well as a display of some of the prizes.

The raffle will be drawn at the end of this term so get in quickly!

## Attendance

Last week's attendance numbers were very good! Let's aim for a repeat for the final two weeks of term. Well done!

## Student Free Day Reminder

We have **Student Free Days on Tuesday July 3<sup>rd</sup> and Term 3 Monday July 23<sup>rd</sup> (first day back)**.

Please remember to make alternative care arrangements for your child/children on this day. Should OSHC be required please ensure bookings are made in a timely manner.

## 2018 Public Education Awards

It is always great to receive some positive feedback, and these awards are one way in which parents and colleagues can let teachers know that their hard work is appreciated.

Annette Orsborn and I were both delighted to be recognised with nominations for this award. Receiving a nomination just makes your day and I encourage anyone who knows a teacher that they really admire to look out for these awards next year, and make a teacher you know feel appreciated and special.

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Jo Rowell on 8381 7216. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

## Sports Report

SOCCER.

UNDER 11 16<sup>th</sup> June 2018.

Cove sharks: 2 Emmaus CS: 5

Goals scored by: Alex Martin Jorden Ettridge

A tough physical game in wintery conditions which made for a scrappy game, but we got better after making a few positional changes in the second half which got us our 2 goals as the team worked harder. We will try and work on our defending in training and I am sure we will learn from our performance, as we have in previous games. This is all part of our learning as we all continue to improve and find our best positions on the pitch. Good effort

Adam U11 Coach

UNDER 11 23<sup>rd</sup> June 2018.

McLaren Districts: 6 Cove Sharks: 2

Goals scored by: Alex Martin, Ben Ireson

We were 4-0 down at half time after being overrun in the first half by a well-organised team.

After making a few positional changes at half time we were much more organised in the second half and I was very pleased with our attitude and desire to get back in the game. Our midfield and defence utilised Ben I and Ethan on the wings, with Ethan running the opposition ragged in the last 15 minutes of the game. James also paid a huge part, going into goal for the second half and keeping us in contention with some great saves. Most parents and even the referee commented on how entertaining the 2<sup>nd</sup> half was so hopefully we can build on this next week.

Adam U11 Coach

There will be no games of soccer during the school holidays, but the season will continue in Term 3.

Families will have received their invoices for the soccer season and we ask that this be paid at your earliest convenience via EFT or at the school office.

Well done to all participants of our soccer teams in Term 2. Thank you to the coaches and volunteers who dedicate their time to make the games possible.

Enjoy the holidays,

Lyn (Sports Co-ordinator)

	<p>Reminder this ends soon! Come see some of the prizes on offer at assembly this week.</p> <p>*Raffle* Please help the canteen with small donations of non-perishable foods or small utensils and go into the draw to win some great prizes.</p> <p><b>Donation box is in the Front Office!</b></p> <p>1st prize: Tupperware Microwave Pressure cooker worth approx. \$235</p> <p>2nd prize: Tupperware oven ware dish worth approx. \$200</p> <p>3rd prize: Tupperware oven ware dish worth approx. \$150</p>
